

SENIOR PRODUCT DESIGNER (f/m/d) - Full-time

You are a team player and want to help to scale a fast-growing Austrian start-up? You are interested in digital business models and you have an affinity for online marketing/e-commerce? Then boomerank is the right place for you! Together we want to revolutionize the online marketing market with our proprietary AI-based software and give our customers (online stores) an effective tool to succeed in the digital world. Compensation with appropriate qualifications: gross annual salary starting at 51.260€.

Your tasks

- As a UX/UI Designer, you will take on a central role in our product development process
 - You conduct user interviews and tests to better understand our customers and their needs
 - You translate user-needs into concepts, features and designs
 - Through testing and validating hypotheses with prototyping tools
- You drive the further development of our design system (style guides, etc...)
- As part of the Scrum team, you support the implementation of new features and make sure they get the final touches

Your profile

- Above all, you have a great sense for usability & UI design and you are always on the pulse of time
- You have a professional design education as well as relevant practice in product design
- User research methods experience and enthusiasm for fully understanding our users
- You are familiar with current design tools (e.g. Adobe XD, Axure, Figma, etc...)
- You like to work in an agile environment (Scrum) and communicate efficiently with developers
- You speak fluent English - German language skills are an advantage
- Independent and result-oriented way of working, high willingness to learn and motivation
- You have an understanding of eCommerce and underlying processes (advantage)
- Nice-to-have: experience in designing UI animations (screen layout, loading, etc)

Your time with us offers

- Competitive salary as well as the opportunity to help build a software and AI startup
- Wide range of tasks with room for personal initiative, independence and responsibility
- Start up working atmosphere (incl. work equipment) in an interdisciplinary team with flexible working hours as well as a nice office with own fitness area
- More employee benefits with an own employee prepaid cards with budget for restaurants (4,40€ per workday)
- Selected trainings for continuous education in addition to the operational work
